**THE NEW SMASH HIT
CARTOON GAME
EVERYONE'S BEEN
WAITING FOR.**

Pengo™

Smash or be stung—that's the name of SEGA's video game sensation, PENGO™! PENGO the Penguin squashes SNO-BEES and avoids being stung. And that's only the beginning.

PENG0 is a cartoon pursuit adventure in light-hearted fun and whimsy. The game's lovable and gallant penguin hero swaggers his way through an ice block field and into the hearts of players of all ages and both sexes.

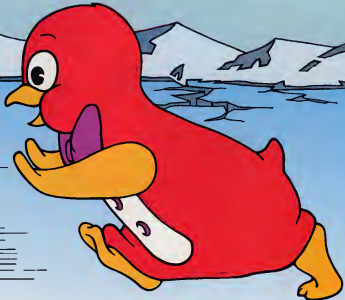

In totally unique game-play action and strategy, PENG0 takes on SNO-BEES in challenging and rewarding fun unlike any other video game. Captivating music, contagious antarctic antics, and simplicity of game control combine to make PENG0 the new super-star video cartoon game.

For more information on PENG0's proven results in arcades and street locations just like yours, and on SEGA's promotional support of PENG0, contact your authorized SEGA distributor today.

Upright: 71" high, 27 1/2" deep, 25 1/4" wide, 332 lbs.
